

## **DAVID MORRIS MP**

**Member for Mornington  
Shadow Parliamentary Secretary for Local Government**

### **Petition – Plan to split MICA crews must be abandoned Legislative Assembly 26 February and 3 June 2009**

A petition opposing State Government plans to reduce the crew of Mobile Intensive Care Ambulances (MICA) to one person single responder units, bearing 333 signatures in two instalments, was tabled in the Legislative Assembly on 27 February and 3 June 2009.

*“To the Legislative Assembly of Victoria:*

*The petition of residents of the Mornington Peninsula draws to the attention of the house the risk posed to the lives of mobile intensive care ambulance patients by the planned change to a single officer crew. The petitioners therefore request that the Legislative Assembly of Victoria ensure that two-officer crews are maintained for all mobile intensive care ambulances.”*
