To the Legislative Assembly of Victoria

The Petition of citizens of the Mornington Peninsula draws to the attention of the Legislative Assembly the failure of the Victorian Government to provide Osborne Primary School with its full entitlement to permanent classrooms; noting that the school is currently 75% below the Government's schedule of entitlement.The school cannot provide a 21st century learning environment with the existing rundown buildings.

The Petitioners therefore request the Legislative Assembly of Victoria ensure that urgent attention is given to developing a plan of action, with dates, to upgrade facilities at the school so that the children can have the best opportunity to 'Shine'.
